

# What's Going On... Summer Camp Fun

## Summer Camps

**May 29 - June 1: Creepy, Crawly Creatures** - Learn about insects, reptiles, amphibians, and dinosaurs! Kids will make fossils, meet our tarantula Athena, create bug games and art, and so much more!

**June 4-8: Backyard Bonanza** - Campers will prepare for a summer of fun by making sidewalk chalk, ice cream, building forts, making suncatchers, and other fun things to do at home this summer!

**June 11-15: When I Grow Up** - Meet different grown ups and learn what they do including a firefighter, veterinarian, entomologist, scientist, media personality. You never know who might stop by for a visit.

**June 18-22: DIY** - Make all sorts of fun contraptions, inventions, board games, technology, art, and more with your great imagination!

**June 25-29: Myth Busters** - Does soda rot your teeth? Are no two fingerprints alike? How fast can you make popcorn? Can you make the M on M&Ms float off? Can you stand on a paper cup? Test common myths and find out if they are true or not.

**July 2,3,5,6: X Marks the Spot** - "Sail" the seas to discover treasure, other countries, go on a scavenger with your pirate friends.

**July 9-13: Mad Scientists** - What will you create as you become a mad scientist? Use everyday kitchen items, candy, highlighters, soap, plants, and more in science experiments. Don't blow us up!

**July 16-20: Histories Mysteries** - Bermuda Triangle...Stolen Crown Jewels...Sasquatch...campers will travel back in time and become a detective and unravel these mysteries and more.

**July 23-27: Tech Week** - Kids will learn computer programming with Ozobots and Lego MindStorm. Circuits, bridge building, inventions, 3D creations and other cool tech fun will keep campers minds racing.

Summer camps are provided in partnership with White, Greer & Maggard Orthodontics. Thanks to WGM for providing 11 weeks of fun and educational activities for kids to experiment, build, create, and explore the world around them.

**July 30-August 3: Game Show Week** - Did you ever want to come on down, name that tune, or answer trivia questions? During this week, kids will have a chance to play these games plus make up their own board games, go on scavenger hunts, solve puzzles, and lots of other fun with games.

**August 6-10: Moving and Grooving** - Get your wiggles before you start school with a dance party, summer games, healthy habits, and more active activities.
