

PAEMS

JUNE 16 - JUNE 28, 2024

ENJOY A PRE-COLLEGE ACADEMIC EXPERIENCE IN MATH & SCIENCE!

Held on the beautiful campus of Georgetown College in Georgetown, Kentucky, participants preview college life as they work alongside Georgetown faculty to explore advanced topics in math and science.

- **Enrollment** is limited to no more than **26 students** to promote effective interaction between students and faculty. Applications will be accepted until all positions are filled.
- Curriculum includes modules in **Astronomy, Biology, Chemistry, Environmental Science and Ecology**, and **Mathematics, Statistics and Computing**.
- **Classroom and laboratory experiences** are complemented with field trips to science-related destinations such as the Cincinnati Zoo and Botanical Gardens, the University of Kentucky MacAdam Student Observatory, and a full-service equine hospital. Hiking, picnicking, and other activities are also included.
- **Tuition is \$800** for the 13-day residential program. This includes most meals and on-campus housing in an air-conditioned dormitory. Some need-based grants are available.
- PAEMS Students will receive a **\$10,000 scholarship** over their four years at Georgetown College.

34 YEARS

Now entering its 34th year, PAEMS is a residential two-week program in mathematics and science for highly-motivated students entering their sophomore, junior, or senior years of high school.
